For Service

COME TO

The City Print Shop

A Manufacturer, removing his plant from an Eastern city to the Akron industrial field, told us that he required immediate service in three essentials

FIRST The printing of business stationery, including letterheads, envelopes and calling cards

SECOND The preparation and printing of copy for his prospective customers

THIRD The composing, typing and addressing of several hundred letters to be sent to clients

Within 24 hours THE CITY PRINT SHOP organization had written the copy for his prospective customers, letters from data supplied by the manufacturer, had submitted proofs, printed the stationery, typed and addressed the letters on their own Hooven Automatic machines and was pleased to hear the customer say "This IS SERVICE"

Our new plant in Mill Street, opposite the Colonial Theatre, is equipped to print everything from a card to a book Our Publicity Department assists the customer in the writing of his letters and copy Our Art Department, without charge, submits original designs for letterheads, trademarks and monograms Our Typewriting and Multigraphing Department supplies that individuality and neatness of finished work which every business house desires

We shall be glad to have the opportunity to serve you
